We are in need of some additional hands to help with this worship ministry. Some of the current teams could use an additional team member or two. Additionally, new Teams would be great! In the event you are unable to help during any assigned time period, please seek help from a fellow team.

A calendar in the sacristy notes monthly linen changes. As the organist gives our secretary listings of hymns they will also show up on the counter in the sacristy. Further, weddings, baptisms and other important worship functions will be brought to your attention. If at any time, you have any questions or concerns, please contact the church office 610-767-7203 or email office@hopecherryville.org.

Thank you for your service to worship life at Hope Church!!!
