***PLEASE NOTE: the Kocher Team and the Lehr Team are combined for the summer worship schedule. They both lost some members of their teams for the summer months, but those members will rejoin their teams in the fall. Also, we are looking for more help for a few of the usher teams. If you have family members or friends who would be willing to join your team, please let us know. We will continue to try to recruit people for our ushering schedule.***

Please take a few moments to look over your schedule! Make note of when you are scheduled to serve. If you cannot be present, it is appreciated if you call another usher team and arrange a switch. Then please let the first person on your team know of the change. The first person on each team should take responsibility for calling each member on their team prior to the date he/she serves as an usher. Calling insures a full team and eliminates last minute scurrying. Ushers are asked to be at the church one half hour before worship begins. Anyone who needs a list of usher guidelines can receive them by calling the church office at 610-767-7203.

THANK YOU FOR YOUR ASSISTANCE IN THE WORSHIP LIFE OF HOPE CHURCH!
