## GREETINGS FROM THE PASTOR...

*From Pastor Jami Possinger*

This has been an interesting month for me and my husband, Mitch. I should probably preface our story by telling you this...his job requires that he travel frequently. Most of his travels are by car – he drives a lot – often between 35,000 to 45,000 miles in a year. Needless to say he is very used to being able to go when he wants and where he wants.

Which leads me to my story... In the middle of October Mitch had to have surgery on his shoulder. We weren't sure what they were going to have to fix because it was not clear on his MRIs but we knew they would be fixing something. It turned out to be a labral tear which meant that post-surgery he would be in a sling for four to six weeks. Bottom line for Mitch – he is not allowed to drive while his arm is in the sling! Bottom line for me – I became his chauffeur!

Now Mitch is a very independent person and has never had to rely on me or anyone helping him to button buttons or put on his belt or being driven everywhere. He has relied on himself for those things. And I have been able to go my own way each day knowing that he can take of himself. But these pasts few weeks have been different for both of us. We have had to rely on each other to make sure he gets to the office, gets to the airport or train station or bus depot so that he can continue his travels. And then there are a whole host of others - employees, friends, other family members - who have pitched in to help as well!

What we have experienced is a microcosm of what the church is all about. There are times on all of our lives when we cannot do it all ourselves - times when we need help - times when we have to rely on others and on God to get us through situations. And that is why a family of faith is so important - because they reach out and help us - they make us see the relying on others is not a weakness but a strength. God knows that we all experience those times of helplessness and God gives us faith and a community of faith to see us through.

It has been difficult juggling all these balls. But it has been a blessing too. We have had to slow down a bit and spend time with each other that we normally would not have spent together. We have had to communicate effectively and put our own stuff on the back burner. We

have relearned patience and commitment and the awareness that dependence is not a negative word. And we have realized yet again that community is vital to our lives!

Blessings,  
Pastor Jami

## ASSISTANT PASTOR'S WORD...

*From Pastor Paulette Obrecht*

The past few Sundays as I got to be the substitute teacher in the third grade class, it made me reflect on the adult witnesses in my childhood who made Christ come alive in my life. My mother, who was raised as a Roman Catholic, took or sent us to Sunday School every week and I can remember many teachers who faithfully taught their lessons, but who also nurtured us students with the love in their hearts. These people were my church family. I especially remember going to Bible club on Tuesday's after school. It was held in the home of a neighbor, Miss Doris Stuber, who lived up the street from my house. She had been my teacher at vacation Bible school and she was able to make the stories in the Bible come alive with songs and games and "flannel board" figures.

Yes, these people were like a "great cloud of witnesses" who planted a seed of faith and, then, stood back to watch it sprout and grow, to be nourished by the next teachers, or the pastor, or all the other members of the church community. And, the amazing part of that image is that – the same thing must have happened to them when they first attended church or Sunday School years before us. A great cloud of witnesses was there for them to plant a seed of faith to be nurtured and strengthened so they too might grow into disciples of Christ.

In November, we have many opportunities during worship to celebrate with thanksgiving that "great cloud of witnesses" who, whether we knew them personally or whether we met them in the stories of Jesus' life or in our Old Testament lessons, strengthen our faith and give us courage to face life's daily struggles. But, most of all we can be thankful for the love of Christ, who gave away his power as king to serve the weak and needy of God's world – to serve others. As we journey through the month of November and look toward the glare of holiday consumerism, let's all remember to be signs of God's faithfulness and love for others – to be Christ's disciples. Let us go in peace, with all the saints, to serve the Lord. Thanks be to God.

### **DID YOU RECEIVE HOLY COMMUNION THIS YEAR?**

Did you sign the hospitality sheet indicating that you received communion this year? Please make sure you complete one the next time you receive Communion (if you didn't or you're not sure). Our constitution requires active members to receive Communion regularly.

### **ANNUAL CONGREGATIONAL MEETING**

Mark your calendars for our Annual Congregational Meeting to be held on Sunday, November 10<sup>th</sup>, at **9:15 AM in Kuntz Hall**. Sunday School will be held at the normal time with a movie being shown for the younger grades that allows teachers to attend the meeting. At least 50 members (in good standing) are needed for a quorum. Please sign the sheet on the narthex bulletin board indicating that you are able to attend. Thank you!

### **CONSECRATION SUNDAY RESULTS**

Consecration Sunday is a spiritual-growth-oriented process, which is designed to enrich our biblical understanding of Christian stewardship. The experience concentrates on the need of the giver to give for his or her own spiritual development. The preliminary results of Consecration Sunday resulted in 111 commitments totaling \$172,608. But we're not done yet!

If you were unable to attend Consecration Sunday on October 20<sup>th</sup>, you should have received an Estimate of Giving Card in the mail. Could you please help us to complete our Christian Stewardship campaign by returning it within one week once you have received it? If there are additional members of your family who will be making a commitment, please write their name, envelope number and commitment on the back of this Estimate of Giving card. Thanks for your help in bringing this fine spiritual experience to a good conclusion.

We will continue to report results in the next newsletter.

<b>Income</b>	<b>\$259,563.14</b>

## STEWARDSHIP CORNER

If you missed Consecration Sunday and the Celebration Luncheon and the Hidden Treasure Auction

– you missed a lot of fun and an opportunity to see the incredible gifts of the people of Hope Lutheran. The day began with worship, during which members made their financial commitments to the ministries of Jesus Christ here at Hope. It ended with a delicious luncheon – catered by the Stewardship Committee with the help of our "in-house chef," Bruce Schnabel. After lunch we welcomed Junior Marsh, a professional auctioneer, who led us through Hope's first Time and Talent Auction.

65 items were offered by members of our congregation for bidding! The talents at Hope are many and varied. Here are **some** of the things that were auctioned off:

Weekend in Pike County cabin, Apple Dumplings, Handmade cards, Custom Floral Wreath, Afghans, Gutter cleaning, Car Detailing, Moravian Star, Pies, cupcakes, A meal a week, Tutoring, Thanksgiving Filling, Soups, Sloppy Joes, Pot Pie, Piano and Violin Lessons, Gardening, Dessert a month for a year, Weekend at PJ's Lakehouse, Homemade jellies, 1 dozen pierogies a month for a year, Rainbow loom bracelets, Zumba and Pilates classes, 7 nights in Williamsburg.

And these are just some of the exciting things that were auctioned! Many thanks to Bruce Schnabel, Junior Marsh, all of our members who bid on the items and especially those who creatively offered their time and talents! The proceeds of **\$4,100** were designated for the ministries of Hope Lutheran.

## PRAYER CHAIN GROUP

The next meeting for the Prayer Chain Group will be on Tuesday, November 26, at 11:00 AM, in Kuntz Hall. Anyone interested in joining our discussion about ways to become more comfortable at personal prayer – and then taking time to offer prayers for the needs of others – is welcome to join us at this time.

## SENIOR FALL FEAST

On Saturday, November 16<sup>th</sup> the Social Ministry Committee invites any senior citizen or homebound member in our congregation to our annual Fall Feast. We will begin with worship of Holy Communion at 11:30 AM, and then enjoy a dinner of turkey, filling, cranberry sauce and all the "fixins." To conclude the day, there will be entertainment. The Feast will end at approximately 2:30 PM. Sign-up sheet is located on the bulletin board in the narthex.

## Reflections on Dealing with Grief & Loss

by Pastor Paulette Obrecht

When dealing with the loss of someone we love, we often become lost in a maze of "if only ..." or "what if ...". We want life to return to what it was. We want to go back in time to make things work out better.

Bargaining can be an important reprieve from the pain that dwells in one's grief. Bargaining often helps the mind move from one state of loss to another. It sometimes allows us to believe that we *can* restore order to the chaos that has taken over our lives.

When we are dealing with death and grief, our bargaining usually moves from the past to the future. We ask that we might see our loved ones again in heaven. In the pop-singer Eric Clapton's song, we hear the bargaining as he wonders if he'll stop crying once he finally gets to heaven:

"Would you know my name  
If I saw you in heaven?  
Would it be the same  
If I saw you in heaven?  
I must be strong and carry on  
'Cause I know I don't belong here in heaven."

Bargaining allow us to work through the gaps in the events over which we had so little control. By replaying the "what if's" in our minds, we begin to realize there is nothing we could do to change what has already happened. Eventually, we come to the conclusion that the tragic reality is that our loved one is truly gone – and we truly grieve. And, in our emptiness we might enter the next stage – of sadness or depression.

*"He did not say: You will not be troubled, you will not be belabored, you will not be disquieted; but he said: You will not be overcome."* – Julian of Norwich

## SECURITY TEAM NEWS

Hope's Church Council, along with the Security Committee, has decided to take steps to make the church more secure for the safety of the staff and the various groups who use the church throughout the day and evening hours. Because of recent events throughout the United States we recognize that keeping our preschoolers, seniors, staff and members safe whenever they are in our facility is key concern for all of us. To that extent Hope has installed a new limited-access entry system which we plan to begin using in the very near future.

Here is how it will work. Building doors will continue to be open during regular church services, weddings, funerals and church wide activities like Hopefest, VBS, Yard Sale, etc. But, the doors will be locked during all other times. Access to the church will be controlled through three entrances; the two sets of double glass doors on the rear parking lot side of the church and the east side Hanson Hall entrance.

These three entries will be electronically secured. Entry will be gained through a keypad mounted on the building by each entry **or** by access key cards. The keypads are expected to be used when granting access to large groups or individuals who need to get into the building for scheduled events. Key cards will be issued to Church Staff employees. Key cards or keypad PIN numbers will also be issued on a limited basis to various church leaders and committee members who need to gain access to the church for functions and activities that are essential to the operation of our church mission. The keypad and cards can also be programmed to control the times that members have access to the building.

For all other members and non-members, access to the church is expected to be controlled by the staff during normal church business hours. This will happen via a "buzz-in" system much like schools throughout our area use. Committee heads and group leaders will be expected to control access during regular evening meeting hours. Key cards or keypad PIN numbers will be issued to congregational members on an as-needed basis. All requests for key cards or keypad PIN numbers will be reviewed for approval by the Security Committee. ***If you would like to request access, please pick up a Key Card/PIN Number Request Form***

***in the office and return it to the Security Committee mailbox.***

We hope to make this transition to a more secure facility as smooth as possible. It is not our intent to keep members from using the church building, but we have to be more proactive in finding ways to make it safer for everyone who uses the building. Parts of the security system involving Nursery School and the Senior Center will soon be put into place. Full implementation for the congregation should be expected before the end of November 2013.

## ANNUAL NATIVITY DISPLAY

It hardly seems possible that it is time to begin to think about our annual Nativity Display which will be **Saturday, November 30, from 10:00 AM - 8:00 PM and Sunday, December 1, 8:00 - 5:00 PM.**

You can help your Evangelism committee by:

1. Bringing in your nativities and perhaps you can include a short note telling us what makes your nativity special to you.
2. Donating bake goods, snacks or beverages
3. Helping with set-up on Wed. 11/27 9 - 12 and finishing up set up on Friday 11/29 at 9:00 AM
4. Clean-up will be Sunday at 5:30 PM
5. Helping during the display in kitchen, welcoming visitors and reminding people to "Please do not touch"
6. If you have a musical talent(Singing, instrumental) and will share it for at least 1/2 hour during the display, that would be greatly appreciated and enjoyed by our visitors

The nativity display is a great way for our confirmation students to earn some of needed requirements. But please remember that to earn these requirements a student **MUST** be working at Nativity display at least 2 hours during the weekend.

More details to follow as we get closer to the display date. A sign up board is in the Narthex.

Merry Christmas from your Evangelism Committee  
Help us to keep Christ in Christmas.

## HOPE CHURCH AND ELCA WORLD HUNGER

When thinking about reasons for supporting ELCA efforts to eradicate hunger in the world, here is one way to picture/think of the need for our help: If the world were a village of 100 people, there would be –

- 19 children from birth to 9 years old
- 18 between ages 10 and 19
- 32 between ages 20 and 39
- 21 between ages 40 and 59
- 6 between ages 60 and 69
- 3 between ages 70 and 79
- 1 adult over the age of 79.

Although there is enough food in the village to feed all the people, the resources are not equitably divided, so not everyone has enough to eat –

- 50 people don't have a reliable source of food and are hungry some or all of the time.
- 16 other people are severely undernourished.
- 34 people always have enough to eat.

ELCA World Hunger responds to neighbors around the corner and around the world. Between 70-75 % of ELCA World Hunger funds are spent internationally, and 20-25 % are spent within the US.

Envelopes for giving can be found on the pamphlet rack outside the church office – or speak to Pastor Paulette for more information.

### THANK YOU NOTES

#### **To the Pastors, Congregants, and various Committees,**

Thank you for all the kindness shown and still is being shown to me during my recent hospitalization for open heart surgery. Your letters, phone calls, get-well cards and meals are so much appreciated and really are aiding me to a complete recovery hopefully in the near future.

In Christian Love,

***Loretta & Don Neustadter***

#### **To The Church Council,**

The members of the Indianland Garden Club appreciate the use of Kuntz Hall for our monthly meetings. Please extend our thanks to the congregation of Hope Lutheran for this use. Over the past decade, our membership has grown, in part, from the flexibility your meeting room offers. It allows us to continue our missions of fellowship and environmental conservation. Visitors to our Horticultural programs are always most welcome.

***The Board of Indianland G.C.***
