# HOPE HOME NEWS

## Greetings from the Interim Pastor:

Just as every natural summer has a unique story, our spiritual journey also unfolds through distinct seasons. As we navigate through the cycles of autumn's change, winter's preparation, spring's re-birth, and summer's fruitfulness, we are invited to embrace the abundant life that surrounds us. Each season offers us an opportunity for growth, reflection, and transformation, as we cultivate a deeper connection with God and the world around us.

We should always look to embrace the heavenly warmth and beauty of the season, whether it's summer or not, by seizing the joy and gratitude in every moment. Take the time to relax, have fun, and celebrate the blessings that surround you. Let go of worries about the future and immerse yourself in the present, savoring the joy that each moment brings. Remember, regardless of the season, the key is to cherish the beauty and blessings that are present in your life.

As we delight in the sweetness of summer berries this season, let us also savor the spiritual fruits of love, joy, peace, and kindness. Just like sun-ripened berries, our virtues need nurturing and ripening as well. By staying connected to our spiritual gardener and embodying qualities like forbearance, goodness, faithfulness, gentleness, and self-control, we can cultivate a harvest that is truly fulfilling. Let this season be a reminder to tend to our inner garden

and let our fruits of the spirit flourish in abundance. Let's celebrate our summers, both the natural and the spiritual, and embrace every story being written, because God's hand is in each one.

**Prayer for summer:** Lord, thank you for the gift of summer. Thank you for ice cream cones, backyard barbecues, and sun-drenched memories. May we seize each moment of joy and remember that you are the true cultivator of our harvest and author of our stories. Amen.

*Blessings,  
Krystina Adams*

HOPE LUTHERAN CHURCH

COME AND BE PART OF THE VIBRANT YOUTH GROUP, ALLOWING THEIR ENTHUSIASM TO LIGHT THE WAY!

*As we celebrate July 4th this year, let's reflect on the historic moment in 1776 when the United States officially declared its independence from England by signing the Declaration of Independence. This monumental event marked the beginning of our journey towards becoming a free and sovereign nation. Let's honor the courage and vision of our founding fathers as we continue to cherish the values of freedom and independence they fought for.*

*As we stand on the shoulders of our forefathers, we are reminded of the struggles and sacrifices that paved the way for our freedom. Despite facing numerous challenges, they remained steadfast in their commitment to establishing a democratic system that continues to shape our nation today. This July 4th, let us reflect on the enduring legacy of the Declaration of Independence, the Constitution, and the Bill of Rights, and express gratitude for the unwavering courage and vision of those who laid the foundation for our liberty.*

*While we celebrate Independence Day, it is important to reflect on the Judeo-Christian roots that have shaped our nation's history and values. The Liberty Bell in Philadelphia, a symbol of our independence, bears the inscription "Proclaim liberty throughout all the land unto all the inhabitants thereof" from the Bible. This serves as a reminder of God's goodness to us as a nation and the influence of Judeo-Christian principles on our legal system. Let us take this opportunity to appreciate the rich heritage that has guided and united us as a diverse nation, and to continue striving for a society built on justice, freedom, and equality for all.*

*So, as we pause to reflect on this July 4th, let us not only express gratitude for the past but also turn our gaze towards the future with faith and commitment to God's will. The timeless wisdom of the Psalmist resonates today more than ever: "Blessed is the nation whose God is the Lord" (Psalm 33:12) reminding us that a nation blessed is one that acknowledges the Lord as its God. Let us embrace this sentiment as we move forward, united in purpose and faith, trusting in the path ahead with hope and reverence.*

## CHILDREN'S SUNDAY SCHOOL

**Hope's 50th Anniversary  
Months of Caring Challenge**

**The Kindness Project** is a non-profit organization based out of Emmaus, that was established to support the growing needs of foster and adoptive families throughout the Lehigh Valley and surrounding regions. Since March 2018, The Kindness Project has served well over 2,000 local children in foster care. As of 2024, almost 15,000 Pennsylvania children were in foster care and this number continues to grow.

**Kids Summer PJs!**

Relying strictly on donations and monetary contributions, The Kindness Project fills a much-needed niche to support children and teens who are coming into foster homes with immediate needs by providing them with bedding, cribs, cars seats, clothing, and many other essentials. By providing this **FREE** service, families are able to consider accepting foster care placements that might not have otherwise been possible especially in emergency placement situations, including siblings who wish to remain together.

**Please join us in collecting 50 (or more!) new sets of summer pajamas for The Kindness Project through the month of July. Any size from newborn up to junior sizes would be much appreciated. Donations can be placed in the bin by the 50<sup>th</sup> Anniversary bulletin board just outside the sanctuary.**

For more information about **The Kindness Project** or other ways to support this organization visit their webpage: <https://mykindnessproject.org>

## BOOK BUDDIES

**The Midnight Library**

[Abby White](#)

Somewhere out beyond the edge of the universe there is a library that contains an infinite number of books, each one the story of another reality. One tells the story of your life as it is, along with another book for the other life you could have lived if you had made a different choice at any point in your life. While we all wonder how our lives might have been, what if you had the chance to go to the library and see for yourself? Would any of these other lives truly be better?

In *The Midnight Library*, Matt Haig's enchanting blockbuster novel, Nora Seed finds herself faced with this decision. Faced with the possibility of changing her life for a new one, following a different career, undoing old breakups, realizing her dreams of becoming a glaciologist; she must search within herself as she travels through the Midnight Library to decide what is truly fulfilling in life, and what makes it worth living in the first place.
